On behalf of the West Island Cancer Wellness Centre (WICWC) and The Organizing Committee, we are pleased to announce our 2023 Charity Golf Tournament held on Tuesday, September 19, 2023, at the prestigious Golf Club Saint-Raphaël on Île Bizard.

This year marks the WICWC's 15th anniversary; we are so proud of how far the Centre has come. It has taken a community of individuals who believe in our mission and encourage commitment, perseverance and passion to empower those living with cancer. We are very grateful to all those who have been involved over the years in making the Centre what it is today.

Please join us in this celebration to continue to provide needed cancer wellness support. Sponsoring, donating, and/or participating in this very important fundraiser will provide cancer patients and their families a place to turn to when cancer affects their lives.

As we do not receive any government funding, we rely on YOU to continue our mission to empower people who are experiencing cancer.

"The West Island Cancer Wellness Centre is an incredible resource for someone with cancer. I really can't say enough about all of the personnel there as well as the service providers. I truly believe the Wellness Centre plays a huge part in the healing process and cannot recommend it enough!" - Participant of the Centre

The WICWC is a registered charity dedicated to offering compassionate care and support to anyone experiencing cancer - either having it themselves or supporting someone with cancer. All of our programs and services are **FREE OF CHARGE** and are created to support and complement traditional medical practices.

We very much hope you will support the WICWC this year.
