All proceeds to benefit the West Island Cancer Wellness Centre

WICWC.ORG

WHO WE ARE

The West Island Cancer Wellness Centre (WICWC) is a registered charity dedicated to offering compassionate care and support to anyone experiencing cancer - either having it themselves or supporting someone with cancer.

We exist in response to the demand for a whole-person integrated approach to wellness that focuses on improving the health and well-being of people living with cancer by addressing their emotional, physical, spiritual, social, informational, practical, and systemic needs - collectively known as the 7 pillars of wellness.

All our programs are created to support and complement traditional medical practices and are FREE thanks to the Centre's fundraising events, community fundraisers and the generosity of our donors.

- 
- Over 1,200 active participants (cancer patients and their supporters), use WICWC services
 - Over 3,500 hours of free programming are offered to our participants each month at the Centre
 - Over 30 new participants each month walk through the WICWC doors looking for help

LE DÉFI DES BRAVES CHALLENGE OF THE BRAVE

BUILD YOUR BRAND AND GROW THROUGH MEANINGFUL COMMUNITY ENGAGEMENT

Styled after the “Amazing Race®”, this event will have 24 teams of 4 people participating in 7 challenges at different locations in the West Island. Each team will fundraise for the WICWC prior to the race.

WE ARE LOOKING FOR SPONSORS

Join us in creating an unforgettable experience for our community while elevating your brand's visibility and impact!

- Build your brand awareness, as the event will provide you with exposure to attendees, potential customers, and community members.
- Enhance your reputation and strengthen community ties by showing that your business is committed to supporting charitable causes and is a socially responsible entity.
- Supporting local charities can boost employee morale and pride in their company. It can also serve as a team-building opportunity if employees participate in the event.
- Community-driven events tend to generate a lot of buzz, and being part of this positive conversation can increase word-of-mouth recommendations for your company.
